

Denison Montessori is now enrolled in the
KING SOOPERS
NEIGHBORHOOD REWARDS PROGRAM

Everyone needs groceries, so why not let a percentage of that grocery bill benefit Denison Montessori!?!

How does it work? You buy a Gift Card from the school for \$2.50. You add more to the card at King Soopers before your purchase. Whatever dollar amount you add, you get that same dollar amount worth of purchases at King Soopers. This is a reusable card so you keep this card and reload it again and again at King Soopers for any amount up to \$500. You simply give it to your cashier or the customer service desk **before** your purchase and the King Soopers employee will reload it. This needs to be done as a separate transaction from your grocery purchase. You pay for the reload amount by cash, check or credit card. No need to wait until your card is empty either – you can reload it at any time.

What's the Catch? NONE. There are no extra costs associated with this program. Your initial \$2.50 Gift Card is redeemable for \$2.50 in King Soopers merchandise. This is a way for King Soopers to encourage shoppers to patronize their store, and also for them to support non-profit organizations.

How does the school earn money? Every time you purchase an initial card from the school, AND EVERY TIME YOU RELOAD IT, King Soopers adds the amount to Denison Montessori's Neighborhood Reward account. Once the account balance in any given month reaches \$5,000, the school gets a check for 5% of the total. It's that simple. If we don't hit \$5,000 in that month, the balance rolls forward to the next month and continues accumulating.

How do you purchase cards? You need to purchase the cards at the school office or from Toni Hansen, toniworks@gmail.com. You just purchase the card for \$2.50, and on your next trip to King Soopers, you can add to it for any amount you choose (up to \$500). Don't throw the card away – you keep the same card and reload it again and again. **The card can only be purchased through Denison so that the purchase is tied back to the school. If you buy a reloadable King Soopers gift card directly from King Soopers, the school does NOT get credit. Only the cards sold at school are registered to give credit back to Denison Montessori.**

What can you use the cards for? Any purchases at King Soopers including gas purchased at King Soopers or City Market Fuel Center. Exceptions include services such as Western Union, lottery tickets, stamps, money orders, ticket master and other gift cards.

How long is the card good for? The dollar amount on the card never expires. However, if your card balance goes to zero, and you don't reload it within 90 days, the card does become inactive, and you will need to purchase a new card from the school.

Where else can I use the cards? The King Soopers Gift Cards are accepted at most Kroger-affiliated stores throughout the United States. These include: King Soopers, City Market, Kroger, Fred Meyer, Ralphs, Fry's and Fry's Marketplace, Dillons, Smith's Food & Drug, QFC, Food 4 Less, Owen's, Foodsco., Hiland, Pay-Less Supermarkets, Cala-Bell, Baker's, Jayc, Fred Meyer Jewelers, Littman & Barclay Jewelers. Loaf & Jug does not accept these cards.

How to find out the balance of the gift card. There are 4 ways to obtain the balance: 1) The balance will be printed on the bottom of your cash register receipt, 2) Visit www.gcbalance.com, 3) Call 866-822-6252, 4) The King Sooper's cashier can check your balance.

This is a GREEN program. The cards are reused instead of throwing them away!
