Your opinion and feedback are important to the Denison Montessori School Collaborative School Committee. The community is invited to attend CSC meetings and speak publicly about CSC policy.

Those wishing to speak to the Board may do so at regular CSC meetings. To manage the CSC's and the public's time in the most effective manner and to include as many community voices as possible, there is a two-minute time limit for individual speakers.

This CSC works with school leaders to provide feedback on important school decisions. These decisions may include ways to improve academic performance, budgets, and the school's program.

Individual concerns are best resolved closest to the situation. Parents are encouraged to contact their child's teacher or school administration to handle a specific problem.
